
BESS Portable Power Bank

What is the best power bank?

My pick for the best power bank overall goes to the Anker PowerCore 10,000 mAh Redux for its portability, quality construction, and the fact that it has USB-C and USB-A ports, which means it caters to both old and new devices. While it's my favorite, there are plenty of other options with different price points, features, and brands in mind.

What are the best wireless portable chargers & power banks?

For Qi-compatible devices, we also have a separate guide to the best wireless portable chargers and power banks. The best replacement for your original charger is the Nekteck 60W USB-C GaN Charger. It's cheaper and smaller but just as powerful and reliable.

Do you need a portable power bank?

While most portable power banks are great for keeping your smartphone or tablet topped up when you are out and about for the day, if you truly want to go off-grid you need something beefier. You need the ChargeTech 124,800mAh portable power station. Regular readers will know that I have a thing for portable power banks.
