Which financial institution in Bandar Seri Begawan has installed rooftop solar panels?  
BIBD is now the first financial institution in Bandar Seri Begawan to install rooftop solar panels, showcasing BIBD's commitment to a greener and more resilient future for Brunei.

What is a GoodWe solar roof tile?

The GoodWe Sunshine Series is an integrated solar roof tile solution for pitched rooftops to replace traditional solar panels and framework for a sleek, aesthetically-pleasing result, that also maximises your rooftop space for more solar production. The integrated tempered double-glass structure ensures the safety of the roof structure.

What are roof tiles made of in Malaysia?

Traditionally, roof tiles in Malaysia are made from clay or slate. However, these days, roof tiles are also made of concrete materials. Supercool offers a wide range of roof tiles for homes and offices. We provide and install premium quality roofing solutions in Malaysia, where we manufacture only the best roof tiles.

What is BMI Monier solar water heating roof?

BMI Monier Solar Water Heating Roof harnesses the sun's free energy to deliver hot water for domestic uses, while BMI Toplight transparent roof tiles bring in natural daylight to illuminate your living spaces, all without using a single watt. Our BMI SolarRoof allows you to enjoy hot water & lighting the eco-friendly way.
