# Boston Solar System

Who is Boston Solar?

Solar Residential Solar Commercial Solar The Boston Solar Team has delivered customized solar energy solutions to over 6,000 households in New England for the past 13 years. Recently, we have expanded into the commercial market, completing projects for small businesses and even the iconic Fenway Park, home of the Red Sox.

Is Boston Solar a good solar company?

Since 2011, the company has installed more than 30 megawatts of residential solar energy in the Bay State. Boston Solar handles the entire solar installation process in-house and offers a 10-year quality-of-work and 25-year product warranties. Solar financing is available through the company's partnership with Sungage Financial.

Why should you choose Boston Solar?

Boston Solar is the #1 residential solar company based in Massachusetts, with over 4,000 installations and a pre-vetted network of installers that compete for your business, giving you more options and the best deals. We are proud to power Massachusetts, a state that continues to lead the nation in solar installations.

Is Boston State-House the hub of the Solar System?

The line from "Autocrat of the Breakfast Table" is "Boston State-House is the hub of the Solar System". One commenter notes that "universe" for "solar system" can be overlooked, but "Boston" for "Boston State-House" is unpardonable.
