## Lifetime warranty for solar container outdoor power

How long does a solar panel warranty last?

The length of a product warranty varies based on the manufacturer and model.

Traditionally, these warranties typically last 10-15 years, although it is becoming more common for premium panels to have 20 and 25 year product warranties. If a panel fails within the warranty period, the manufacturer will typically replace or refund the panel.

What is a solar power output warranty?

This Solar Power Output Warranty shall not be construed as any warranty or guarantee of any specific amount of Solar Power Generation, expressed in kilowatt-hours (kWh). ? Contractors enrolled in GAF certification programs are not employees or agents of GAF, and GAF can not control or otherwise supervise these independent businesses.
