## Outdoor power outage protection

Are outdoor surge protectors available for purchase?

The outdoor surge protectors are available for purchase. We have researched hundreds of brands and picked the top brands of outdoor surge protectors, including Tupavco, Ubiquiti Networks, CERRXIAN, PROCET PoE System, RFIOTASY.

How to prevent a power outage?

To protect against short-term power outages, the use of an uninterruptible power supply (UPS) is recommended. For long-term power outages, proper power backup is mandatory to prevent data loss. In the absence of any preventive measures against power outage, data loss is inevitable.

How to protect your system against long-term power outage?

In the absence of any preventive measures against long-term power outages, proper power backup is mandatory to protect systems and prevent data loss. The best option to recover inaccessible data is through backups.

What is a tupavco Ethernet surge protector?

The Tupavco Ethernet Surge Protector is a set of two outdoor surge protectors designed to safeguard your Gigabit GbE PoE/High PoE+(HPoE) 1000 Mbps LAN Ethernet network. Featuring Gas Discharge Tubes (GDT), this surge protector provides full protection against lightning strikes, ensuring the safety of your RJ45 cables and CAT6/CAT5 devices.
