# Singapore Iron Container Wholesale

Which shipping containers are available in Singapore?

At M&P International Freight, we offer both 20ft and 40ft shipping containers for sale in Singapore. These are the standard industry sizes and are suitable for international shipping and on-site use. Compact yet highly efficient, the 20ft container is ideal for smaller shipments, storage facilities, or personal use.

What is a shipping container?

A shipping container is a container of a durable steel structure that is popularly used as a transport or storage unit for transporting goods between far places. A shipping container is also known as a few other names, such as ISO container, cargo container, dry container, construction site storage container.

Who is LBG container (S) Pte Ltd?

LBG Container (S) Pte Ltd specializes in container repairs, conversion of shipping containers into container offices, toilet containers, and container customisation for special projects to meet client's requirements.

What are shipping containers made of?

It is also known as the dry container or ISO standards container. In general, containers are made of corten steel. These shipping containers are entirely confined, shielding from the elements of weather and nature. They also come with floorboards made of marine plywood and steel locking bars for its double leaf swing door. 1.
