## Unloading solar inverter

Can you walk on a LONGi Solar PV module?

DO NOT stand or walk on PV modules. Prior to beginning installation, review the Installation Manual for LONGi Solar PV Modules. Do not carry a module alone; always use two people to lift and carry. Do not drill holes in the frame of the module.

Can you carry a solar module alone?

Do not carry a module alone; always use two people to lift and carry. The LONGi team of industry veterans and experts is excited to partner with you for success from arrival to installation with LONGi's PV solar modules.

What if a container is unloaded on the unloading platform?

If the container is unloaded on the unloading platform, it is required to be used with the unloading platform or tooling. The height of the unloading platform and the height of the unloading tooling should be kept at the basic level with the bottom of the container (loading bottom plate), and the height tolerance should be controlled within  $\pm 10\text{mm}$ .

Do you need a fuel oil forklift to unload a module?

If the modules are unloaded from long side forks, fuel oil forklifts are needed to unload. When someone is required to direct the hoisting box to fall during unloading, it shall be kept as flat as possible to avoid collision and throwing of the module box, and the ground shall be flat (Figure 8).

Introduction This manual provides comprehensive guidelines for the safe and efficient Unloading and storage of solar photovoltaic (PV) modules manufactured and supplied ...

**1. IMPORTANCE OF SAFETY MEASURES IN UNLOADING SOLAR ENERGY** Safety is undeniably the foremost concern when unloading solar energy systems. Proper ...

Introduction The LONGi team of industry veterans and experts is excited to partner with you for success from arrival to installation with LONGi's PV solar modules. This guide ...

The length of the horizontal extension of the unloading platform or unloading tooling  $L \geq$  the total length of the unloading forklift and the length of the module packing box.

Unloading Instruction This manual is for DMEGC solar PV module unloading instructions. To ensure the safety of unloading of PV modules, please read this manual carefully.

Handling, Storage and Unpacking Instructions This manual describes the handling, storage and unpacking of JinkoSolar PV modules. To ensure safety when loading, unloading, ...

Please read the following safety instructions carefully before unloading and unpacking your solar modules. It is crucial to follow the outlined measures and guidelines for ...
