
What are the 5g base station communication projects in Dhaka

Is 5G a "smart Bangladesh"?

[Dhaka, September 22, 2022] Grameenphone, the connectivity partner to Digital Bangladesh has successfully completed the 5G trial in Dhaka and Chattogram on July 26, 2022, taking the first feat in realizing the 'Smart Bangladesh' vision.

When will 5G be available in Bangladesh?

With this accomplishment, the digital connectivity partner and the tech-service leader of the country is en route to showcase 5G to customers in eight divisional cities starting from September 22, as part of its commitment to empower societies through technology and materialize the Smart Bangladesh vision.

Will Grameenphone roll out 5G in Dhaka & Chattogram in 2022?

Earlier, Grameenphone conducted the trial run for 5G for the first time in the country with some use cases in Dhaka and Chattogram on July 26, 2022. In its continuation, the tech service leader will now be rolling out 5G in eight divisional cities across the country for people to experience 5G connectivity and open up new horizons to be explored.
